

WISE HERON & FEED MY STARVING CHILDREN

LOVE BIG

Ready to bring a little more *Joy to the World* this holiday season?!

Wise Heron is thrilled to team up as a HOPE Champion with Feed My Starving Children (FMSC), an amazing organization tackling hunger around Our World. FMSC provides nutritionally complete meals specifically formulated for malnourished children. Our donations fund the ingredients of the meals, the meals are packed by volunteers (speaking of, let's go – email to join us!), delivered around the World, kids are fed, and lives are saved. I repeat, *lives are saved!* We are so grateful for this opportunity to work with all of you loving souls to spread some big love to children who really, really need it right now. We'll confess, we got all giddy and went for the bigger goal. Sometimes, that's just how we roll. We're pushing to raise \$1,800 - a full pallet of nearly 8,000 meals delivered to children who are literally starving and going without food. But, with all this LOVE, WE CAN do it!

This is your chance – Hug the World, Join in fighting World hunger, Love Big, and Help Real Children get nutritious food in their bellies! **JOIN WITH US** now – here is how you can help:

1. Get in on the LOVE BIG gear! The LOVE BIG gear was designed with the sole (soul) purpose of joining forces for good, reaching out and engaging with the bigger World, and giving back. Check out our rockin' LOVE BIG apparel options and order it up, knowing Wise Heron will donate 20 meals toward our collective goal for every Love Big item purchased. Go on, now - Get one for your BFF, mother, brother, brother's mother (er, wait...), teacher, grandmother, coach, etc.!
2. Donate directly via our Team page at <https://give.fmsc.org/fundraise/team?ftid=98589>. A ten-spot buys ~40 meals – that's forty full bellies! Squeezing \$100 from your budget buys over 400 meals. I think you get the math here. ☺

...and might I point out that this is a great stocking stuffer!

EVERYONE who donates via our page will be entered to win a Wise Heron gift package!

3. Help us spread the word – pretty PLEASE! Share this PDF and hang it in your office, forward this email to all your peeps, and share our posts on social media. We'll love you (big) for it!

Together, our actions are truly significant in battling hunger and helping real people. ANY amount and ANY action feeds this effort to LOVE BIG. Please consider this opportunity to make a serious impact as you look at your holiday gift lists, make decisions about your annual charity giving, or just want a little extra feel good with your cute Love Big shirt.
